Promised Features

Promised

- Pitches
- Search
- Messaging
- Proposals

Not Delivered

- Proposals

Reason for missing feature

- Proposals were left out due to a lack of time
- Technical knowledge was not at the level in the beginning

Final Meeting with Client

- Transferred project and updated documentation for client's needs
- Gave client permissions on all project repos
- Said final goodbyes

What Went Well

- Team Communication
- Completing End Goals
 - We completed the goals we set out to complete at the project's inception.
- Growth in technical knowledge
- Recovery from first semester

What Went... Not So Well

- Lost a teammate
- Did not get all the testing finished due to finishing features last minute
- Lack of knowledge in various fields
- Initial setup of project

What We Wanted To Do

- Administrator panel
- User QoL
- Cleaner tech-debt
- Better team scheduling

Our Feelings
